

Why Wise Productions?

Wise Productions provides the very best technical support for all your production needs. Established 20 years ago, Wise prides itself in consistently providing its clients with the very best in creative technical solutions for your event. We specialise in sound, lighting, set and staging and AV solutions and our creative concepts are designed and delivered by the very best people in the industry.

Our reputation is built on developing true partnerships with our clients to create the best environment to deliver exceptional communication events. We put our clients and their objectives at the very heart of everything we do. And we love what we do.

We are passionate about providing a flawless technical solution that exceeds your expectations. From brief to on site delivery you will have access to the best creative designers, state of the art equipment, highly skilled technicians and project managers - who will all become an extension of your team to deliver the very best results. We are known for being easy to work with and not averse to some fun along the way!

We hope that we will have the opportunity of working with you on this important event.
